Your timing is perfect!

Bryce forwarded me something on this yesterday and I was about to create a notice, but now I'll use this.

She also mentioned 30th Street was being resurfaced from Flower to Royal.
A portion of that is in the BID, can you send me a similar notice to this and we'll hand deliver them to businesses?

Thanks,
Aaron

Greetings,

I have a project scheduled for road improvements in your respective Council District. The first phase will consist of the Cold Milling of **Adams Bl from Figueroa St to Chester Pl/Estrella Av**. The road improvements will began Monday **February 22, 2016**, which will take two days to prep. The final phase will be the resurfacing of the street, which will be completed Saturday **February 27, 2016**, barring any unforeseen circumstances arise. Can your staff assist with getting the word out to the stakeholders within the area to avoid any potential conflicts. I have attached the Notice of Street Work that will be distributed within the job limits. Let me know if additional information is needed.

Cordially,
